GRAB A BRUSH, MAKE A SPLASH!

Relaxation, new hobby, make new friends or just getting in touch with your creative spirit, there are many reasons why you might be thinking about learning to paint with watercolours, but there has never been a better time than now to grab a brush and make a splash!!!

With more new classes than ever before you won't have to go very far to be able to join up with all the new students signing up to 'take the plunge' under the direction and watchful eye of popular local watercolour specialist, Fiona Pruden.

Mondays classes are again at the fantastic Bowls Club on Knightsfield in Welwyn Garden City, Tuesdays are at Artscape in Harpenden but Wednesdays now have – not one – but two new venues to choose from.

Wednesday classes will alternate each week between the excellent Age Concern building opposite the Priory in Ware and the following week at a new venue to be confirmed in the centre of St Albans...

Thursday and Saturday classes will continue at Fiona's home studio in Welwyn village including an evening class on Thursdays for those who cannot attend in the day time.

With an exciting new schedule of subject areas and loads of tips and tricks to learn, classes are designed to teach the simplest approaches to learning to paint whether you are a complete beginner or an intermediate level artist. Classes at a higher level, exploring Fiona's 'Wicked' approach to painting, are also available so whatever level you are this must be the time to 'grab a brush and make a splash'.

Contact Fiona for a copy of her class schedules and a list of all the materials you will need on 07956 537140 or email on fiona.pruden@btopenworld.com.
